Staff Achievements:

2025-26

Dr. Mahendra H N	Editor for the Scopus-indexed book titled Secure Quantum-Enhanced and Federated AI for Geospatial and Environmental Intelligence published by CRC Press, a part of Taylor & Francis
Basavaraju N M	Served as Reviewer at 3rd international conference on recent advanced in artificial intelligence and computer vision and smart systems (ICRACS-2026) Poornima institute of technology Jaipur, Rajasthan
Gunasagari G S	Served as REVIEWER for IEEE International Conference on Communication, Computer, and Information Technology (IC3IT-2025) organized at Mysuru Royal Institute of Technology, Mandya, India on 24th and 25th October 2025 in association with IEEE Mysore Subsection and IEEE Bangalore Section.
Dr. Kiran B	Reviewer as IEEE Second International Conference on Computing, Semiconductor, Mechatronics, Intelligent Systems and communications (COSMIC-2025) at Sahyadri Institute of Technology and Management, Mangaluru, Karnataka, during 21 - 22 November 2025.
Dr. Kiran B	Reviewer at the 3rd International Conference on Intelligent and Sustainable Power and Energy Systems (ICISPES-2025) at Dayananda Sagar College of Engineering, Bengaluru, on 18th and 19th December 2025
Dr Anuradha M G	Served as reviewer in Engineering, Technology & Applied Science Research (ETASR) is an international Journal - Q2 Journal
Dr Anuradha M G	Served as REVIEWER for IEEE International Conference on Intelligent communication and computing held on 18th to 20th Sep held at JSSATE in association with IIT Gauhati
Dr Anuradha M G	Served as Session chair at AICTE-International conference On Agrivoltaic Innovations Focusing on Smart Farming with Renewable Energy Machine Learning and Embedded Technologies held on 11th and 12th Dec 2025
Mrs. Sunita Shirahatti	Served as REVIEWER for IEEE International Conference on Communication, Computer, and Information Technology (IC3IT-2025) organized at Mysuru Royal Institute of Technology, Mandya, India on 24th and 25th October 2025 in association with IEEE Mysore Subsection and IEEE Bangalore Section.
Gouri S Katageri	NPTEL- Remote Sensing Essentials Jan-April (12 Weeks) (waiting for result)
Dr.Ravikumar K.P	Successfully completed NPTEL-Computer Architecture and Organization Jul -Oct 25 (12 Weeks)
Dr. Mahendra H N	Recognized reviewer for reputed international journals published by Elsevier, Springer, and IEEE.
Dr. Mahendra H N	Completed 35+ peer reviews for leading journals including Expert Systems with Applications, Advances in space research, Engineering Applications of

2022-23

1. Mrs. Savitha A C, Assistant Professor has been awarded with PhD for the thesis titled “Development of secured Energy Efficient Algorithm for Machine-to-Machine Communication Using LTE Networks” by JSS Science & Technology, Mysuru on 22nd December 2022.
2. Mrs. Sangeetha K N, Assistant Professor has been awarded with PhD for the thesis titled “Cognitive Based Data Classification and Image Steganographic Algorithm Selection Using Artificial Intelligence Techniques” by Visveswaraya Technological University.
3. Mr. Mahendra H. N, Assistant Professor for being awarded with PhD for the thesis titled “An Efficient Classification of Remotely Sensed data using Supervised Classifier on South – Western Part of Indian Subcontinent” by Visveswaraya Technological University, Belagavi on August 1st 2023.
4. Dr. Veerabhadrappe S T has received a grant of Rs 5000/- for the final year student project titled “Design and Development of Noninvasive Medical Device for Health Monitoring Using Ppg Signal “from KSCST.
5. Dr. Mallikarjunaswamy S and Mr. Mahendra H N have received a grant of Rs 5000/- for the final year student project titled “E-Health Monitoring and Medicine Prescription Generation System Using IoT and Machine Learning “from KSCST.
6. Dr. P M Shivkumaraswamy and Manohar B S have received a grant of Rs 5000/- for the final year student project titled “Dol-Skindi (Detection of Lumpy Skin Disease) “from KSCST.
7. Dr Thejaswini P worked as Organizing Co-Chair, in ISEA Virtual Presentation Conclave-IVPC 2022, an initiative under Ministry of Electronics & Information Technology, Government of India, organized by IITG.

2021-22

1. Dr Aravind H S, Dr. Prabhudev Jagadeesh and Pradeep H. K have been sanctioned a grant of Rs.10 lakhs for the project proposal titled “Ubiquitous Precision Crop Management Using Agricultural IoT and UAV” under VTU Research Grants Scheme - 2021 on 2/3/2022.
2. Dr Mallikarjunaswamy S and Dr Pavitra G S have been sanctioned a grant of Rs 72,500/- for conducting a seminar on NEP -2022, Impact on future Indian Education system sponsored by KSHEC, Govt of Karnataka.

3. Dr. Mallikarjunaswamy S and Dr Pavitra G S submitted a proposal titled “An efficient Machine Learning algorithm for prediction and identification of faults in renewable energy based smart grid” to KSCST under the scheme Science Technology and Innovation for an amount of Rs 500000/-
4. Mrs. Anuradha M G received a grant of Rs 6000/- for the final year student project titled “Implementation of Kannada to Braille translator “from KSCST.
5. Ms. Gunasagari G S and Dr. Poornima N have received a grant of Rs 6000/- for the final year student project titled “Saniha: Application to Create Virtual Relationship Between Farmers and Consumers “from KSCST.
6. Dr. Satish Shet and Mr. Manohar B S have received a grant of Rs 6000/- for the final year student project titled “Smart Battery Management System for Electric Vehicles “from KSCST
7. Dr. Poornima N and Dr. Veeramma Yatnalli have been sanctioned a grant of Rs 2,00,000/- by VGST
8. Dr Thejaswini P was a part of Organizing committee in 18th IEEE India Council Annual International Conference (INDICON-2021), Organized by IEEE India council and hosted by IITG, 19th -21st December, 2021.
9. Dr Thejaswini P received WOMEN IN ENGINEERING TRACK BEST PAPER AWARD, from IEEE India Council, at IEEE INDICON 2021, 19th -21st December, 2021 at IIT Guwahati.

2020-21

1. Mrs. Shubha B and Mrs. Anuradha M G have received a grant of Rs 6000/- for the final year student project titled “Non-Invasive Glucose and Cholesterol Monitoring Device “from KSCST.
2. Ms. Gunasagari G S and Dr. Poornima N have received a grant of Rs 7000/- for the final year student project titled “Keller: Indian Sign Language Gesture To Text And Speech Assistant “from KSCST.
3. Dr. Mallikarjunaswamy S and Dr. Siddesh G K have received a grant of Rs 8000/- for the final year student project titled “Smart Meter for Water Utilization Using IoT “from KSCST.
4. Mr. Mahendra H N and Mrs. Neela A G have received a grant of Rs 5500/- for the final year student project titled “Cloud Based Centralized Smart Cart And Contactless Billing System “from KSCST.
5. Dr. Veeramma Yatnalli and Dr. Saroja S Bhusare have received a grant of Rs 5000/- for the final year student project titled “Design and Development of Personalized Health Detection Device for COVID-19 “from KSCST.

6. Dr. Sathish Shet and Mrs. Latha B N have received a grant of Rs 5000/- for the final year student project titled “Gesture Controlled Plant Watering Robot “from KSCST.
7. Dr Mallikarjunaswamy & Dr. Aravind H S have published a patent titled “Method for Diagnose and Management of Faults in Smart City Cleanliness Administration Using Self-Adaptive Machine Learning on 11/06/2021.
8. Dr. Aravind H S has published a patent titled “Urban Intelligent Parking Guidance System Based on Narrowband Internet of Things (Nb-IoT),” on 19/02/2021.
9. Dr Thejaswini P completed her Post-Doctoral Fellow in the project entitled ‘Information Security Education and Awareness-phase II’, in the Department of Computer Science and Engineering, IIT Guwahati, sponsored by Ministry of Electronics & Information Technology, Government of India, from August 2020 to Feb 2021.
10. Dr Thejaswini P is served as TA (Teaching Assistant) for NPTEL course, “Multi-core Computer Architecture – Storage and Interconnects,” Aug-Oct 2021, Ministry of HRD, Government of India.

2019-20

1. Dr. Aravinda H S, Professor, ECE has been awarded with “Life Time Achievement” award, in Appreciation and Recognition of Outstanding contribution in the field of Administration, Teaching & Research by ESN Awards, September 28th 2019.
2. Mrs. N Poornima has been awarded with PhD degree from Vellore Institute of Technology University. Electronics and Communication department congratulates her for achieving one more milestone.
3. Dr Thejaswini P was the Technical session chair in ISEA Virtual Presentation Conclave-IVPC 2020

Students Achievements:

- ❖ Two batches of ECE pre-final year students won the ₹2,00,000 Cash Prize at the Vodafone Idea Foundation's VOIS Innovation Marathon 2.0 (National Level) in Pune in the Emerging Technologies category. Our team reached a major milestone on February 27, 2026, when a spectacular showcase event marked the conclusion of an incredible trip that began in September 2025. This accomplishment demonstrates the students' inventiveness, technical prowess, collaboration, and dedication to creating significant technological solutions for pressing problems in the real world.

01	Swathi M (1JS23EC157) Surabhi R (1JS23EC156) Sandhya J (1JS23EC130)	Real time detection of sybil and sensor spoofing using connected autonomous vehicles	Mrs. Gunasagari G S, Assistant Professor (ECE) and Dr. Thejaswini P, Professor (EIE)
02	Afsaa Banu T A (1JS22EC006) Aman Shaikh (1JS22EC008) Furqan Bellary (1JS22EC041)	Smart Drone for Animal Detection and Tracking	Dr. Poornima N, Associate Professor, ECE

- ❖ Apporva Sheshadri, Ananya S and K S Sindhura, 6th sem, A section, Secured second place in “Mega Hackthon” under the category “Indoor Navigation Assistance for Visually Impaired Users” held on March 13th and 14th 2026 hosted by Protocol Club, Department of CES, BMS College of Engineering.
- ❖ Mr. Athish V Y, Mr. Yash B, Shivani Aithal and Shravya S, Secured second place in “LUMINOUS 2026 - National Level Intercollegiate Tech Fest” held on 8th and 9th April 2026 hosted by RNS Institute of Technology, Bengaluru

- ❖ Anna Yuktha (1JS23EC013) and Poojitha M R (1JS23EC102), emerged as a rank 22 in the AI/ML- powered FPGA Design and Simulation hackathon organisation during the industrial academia conclave -2025 by nit Jamshedpur in collaboration with VLSI FOR ALL as a tribute to SIR RATAN TATA
- ❖ Mrs Sowmya R Bangari, Nanditha C S, Nisarga T, Pallavi Chincholi, Preethi H B, Secured best Paper award at International Conference on Agri Voltaics Innovations focusing on smart farming with renewable energy, machine learning and embedded technologies held on 11th-12th December 2025 Paper Title: Hybrid 1 D-CNN and SVM Approach for ECG Arrhythmia Classification- using constrained hardware

Showcase Event of _VOIS for Tech Innovation Marathon 2022, Pune, July 2022 to October 2022

Smart Robot Vacuum Cleaner 9th Place Cash Award: Rs. 2,00,000/- Shankar Singh C , Sumanth Rao C S in collaboration with CSE

First prize in State Level Engg students Project Exhibition BMS College of Engineering, Bengaluru July 2022

Cash Award: Rs. 2,5000/-

Sagar Dev Achar Pavana Narayana K Sahana
A R Phanikrishna N M

Runner-up Prize in ISIE India Hero Electric e-Bike Challenge, Chandigarh, Dec 2021

Cash Award: Rs. 10000/-
