NATIONAL SERVICE SCHEME

ANNUAL REPORT

2023-24

About NSS:

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. NSS activity is one of the primary activities for social services and learning importance at the very young stage while students are graduating.

Objectives of NSS

The main objectives of National Service Scheme (NSS) are:

- Understand the community in which they work
- Understand themselves in relation to their community
- Identify the needs and problems of the community and involve them in problem-solving
- Develop among themselves a sense of social and civic responsibility
- Utilise their knowledge in finding practical solutions to individual and community problems
- Develop competence required for group-living and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitudes
- Develop capacity to meet emergencies and natural disasters
- Practice national integration and social harmony

Motto of NSS

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the student's development & appreciation to other person's point of view and also show consideration towards other living beings. The philosophy of the NSS is a good doctrine in this motto, which underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

NSS SYMBOL

The symbol of National service scheme, as appearing on the cover is based on the 'Rath' wheel of konark sun temple portray the cycle of creation, preservation and release and signifies the movement in life across time and space. The design of the symbol, a simplified form of the sun chariot wheel, primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies on the part of the NSS for continuous striving forward for social transformation and upliftment.

NSS BADGE

The NSS symbol is embossed on NSS Badge. NSS volunteers wear it while undertaking various community programmes of community service. There are 24 wheels in 'Rath' of sun temple of Konark. Each wheel has eight bars, which represents 8 pahars of day. Hence the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. lively, active and spirited. The Navy blue colour indicates the cosmos of which the NSS is a tiny party ready to contribute its share for the welfare of the mankind.

NSS unit of JSSATE, Bengaluru organized Campus Cleaning Drive under Swachh Bharath Abhiyan at JSSATEB Campus on 27th May 2023. About 41 volunteers participated in the program.

The event started at 9.00 am at the JSSATEB campus on 27th May 2023. The volunteers assemble near the basketball court. Dr. Girish N, NSS Programme officer greeted all and instructed the volunteers about the program. Students have practiced NSS claps. Dr. Mahesh Kumar, Dean of Students Welfare encouraged the students to social service activities.

All the volunteers followed the cleanliness pledge along with the NSS Programme Officer. "I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year, two hours per week, to work for cleanliness voluntarily. I will neither litter not let others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place." Volunteers are made into five groups and assigned different locations on campus. Students participated enthusiastically in the campus cleaning drive and most of the campus is cleaned.

Place: JSSATEB Campus

**Sustainable
Development
Goals**

The NSS unit of JSSATE, Bengaluru organized an Environmental Awareness Rally on 27th May 2023 in the Banakshankari 6th Stage, 11th Block, Srinivaspura, Bengaluru.

About 41 volunteers participated in this event. Dr. Bhimasen Soragaon, the Principal, inaugurated the rally at 11.00 am. Dr. Girish N, NSS Program Officer, Dr. Mahesh Kumar, Dean Student Welfare and Dr. B Mahesh, Dean Research, were present in the program.

Volunteers participated enthusiastically in the rally. Students shouted the slogans of Environment Protection, Water Conservation and planting trees in the Banakshankari 6th Stage, 11th Block, Srinivaspura and raised awareness about the environment. The fruit juice has been provided to the students after the rally.

Outcomes:

1. Volunteers come to know the importance of Environment Protection.
2. Participating in awareness gives students a sense of satisfaction and accomplishment. This rally motivated residents Banakshankari 6th Stage, 11th Block, Srinivaspura, Bengaluru to protect environment.

Students are taking International Yoga Day pledge at JSSATEB Campus on 21st June 2023.

Title: Drug Awareness Walkathon

Category: Awareness Program

Date: 26th June 2023

No of Participants: About 75 students

Place: Kanteerava Outdoor Stadium, Bengaluru

**Sustainable
Development
Goals**

The NSS unit and students of JSSATE, Bengaluru participated in the "Drug Awareness Walkathon", organized by the Department of Youth Empowerment and Sports, Government of Karnataka and State NSS Cell on 26th June 2023 at Vidhana Soudha, Bengaluru.

This event attracted about 10000 students from all over Bengaluru. About 75 students of JSSATE, Bengaluru participated in this event. Students assembled by 6.30 am at the college campus. Dr. Girish N, NSS Programme Officer briefed about the event and advised to follow discipline during the walkathon.

Karnataka Deputy Chief Minister DK Shivakumar flagged off a walkathon organized on International Day Against Drug Abuse and Illicit Trafficking in Bengaluru on 26th June 2023. He said, "It was our bound duty to make no to the drugs for the future of the country."

The walkathon started at Vidhana Soudha and ended at Kanteerava Outdoor Stadium. Students shouted slogans namely: "Say No to Drugs and Yes to Life" during the walkathon to spread awareness about drug addiction.

The Drug Awareness Walkathon serves as a powerful platform to spread awareness, promote prevention, and support recovery from drug abuse. By engaging participants, fostering community collaboration, and advocating for a drug-free society, the event plays a vital role in addressing the challenges posed by drug addiction. Continued support and participation in such initiatives are essential to creating a healthier and safer environment for all.

Place: JSSATE-B CAMPUS, Bengaluru

**Sustainable
Development
Goals**

The NSS unit of JSSATE, Bengaluru organized an awareness campaign on "National Tele Mental Health Program of India", on 3rd July 2023 at JSSATE-B CAMPUS, Bengaluru. This awareness of TELE MANAS is initiated under the Ministry of Health & Family Welfare, Government of India. Dr. Girish N, NSS Programme Officer briefed about the event and advised to follow discipline during the awareness program. NSS volunteers made display cards & posters, which were used in the awareness campaign. Seven NSS volunteers raised awareness at JSSATEB for about 1200 students.

Tele MANAS is a Tele-Mental Health service that includes:

- Providing counseling and connecting with health care professionals for telepsychiatry services.
- Enabling people to seek help when it is not possible for them to come physically to a nearby hospital.

Counseling with Tele MANAS can provide:

- Tips to manage EXAM STRESS
- To talk about a person's ADDICTION
- Any concern regarding one's RELATIONSHIP

The NSS Unit of JSSATE, Bengaluru, in association with Youth for Seva, organized an IQAC initiative orientation program " Chhote Scientist- an Outreach Activity " on 3rd August 2023 from 11.00 a.m. to 1.00 p.m. at Seminar Hall 1 of JSSATE, Bengaluru.

Dr. Mahesh Kumar, Dean of Student Welfare, inaugurated the program. Dr. Girish N, NSS Programme Officer delivered the welcome speech. D V Ashoka, Professor, Reshma B, Assistant Professor, and staff members of the ISE department witnessed the program.

Ms. Keerthana H S, Mr. Pradyumna P, and Ms. Nischala Purohit enlightened our students about the Chhote Scientist program. About 82 students enthusiastically participated and got the benefit of the program.

Benefits for the students

- Students will benefit from the social exposure which helps them to develop a humble attitude.
- Students will learn to interact and understand grassroots-level problems and be more sensitive towards social issues.
- The students will be able to earn their activity points.
- The students will learn different skill sets like public speaking, and communication and develop a confident personality.

D V Ashoka, Professor, Dr. D Mahesh Kumar, Dean of Student Welfare, Ms. Keerthana H S, Mr. Pradyumna P, Dr. Girish N, NSS Programme Officer, Ms. Nischala Purohit and Reshma B, Assistant Professor during the inauguration of orientation program on Chhote Scientist – an outreach activity

Title: One Student One Tree

**Category: Distribution and plantation of trees
under AICTE Activity Points**

Date: 4th to 10th August 2023

No of Participants: About 1500 students

Place: JSSATEB Campus

**Sustainable
Development
Goals**

The NSS Unit of JSSATE, Bengaluru, organized an AICTE initiative program “One Student One Tree” from 4th to 10th August 2023 at JSSATEB in association with the Forest Department.

Dr. Mahesh Kumar, Dean of Student Welfare, and Dr. Girish N, NSS Programme Officer initiated the event on 4th August 2023 at 12.30 pm in the seminar hall. About 1500 students enthusiastically participated and collected tree saplings from the institution. A photo session was also arranged during the distribution of the saplings.

Students are instructed to plant the saplings near their homes or in the park, where they can take care of it. Students are asked to take geo-tagged photos while planting and every six months till they reach the 8th semester. Students are advised to make a report of this activity and submit it to their mentors. Students will be awarded 20 AICTE Activity points if they plant it and take care until they reach their 8th semester.

Outcomes:

- Bengaluru will become greener with this initiative.
- Students come to know the importance of the environment.
- Sense of satisfaction and accomplishment in helping Mother Earth to become greener.
- All the students will earn 20 AICTE Activity Points.

Dean Student Welfare and NSS Programme Officer distributed tree saplings to the students of JSSATE, Bengaluru on 4th August 2023.

The live stream is arranged at the Boys and Girls hostels of JSSATE, Bengaluru on 23rd August 2023 from 5.20 pm onwards to encourage students to see the Live Landing to mark India's Historic Mission to the Moon. About 120 students and staff members enthusiastically participated and witnessed the success of India's Moon Mission.

It is a proud moment for every Indian for the successful Chandrayaan 3 mission. India's Chandrayaan-3 spacecraft completed a soft lunar landing, making it the first country to reach the moon's southern polar region.

We salute all the team members of ISRO who worked meticulously and conducted a series of complex tasks to make the mission successful. The ISRO took the failure of the landing of the Chandrayaan 2 mission as a challenge and succeeded in Chandrayaan 3 mission. This success motivates students to take up the project which not only makes their career out of it but also makes the national flag fly high.

Title: Campaign on Powering Rural Progress

Category: Awareness Program

Date: 2nd November to 3rd December 2023

No of Participants: About 12 students

Place: B M Kaval, Bengaluru

The "Powering Rural Progress" campaign, initiated by the National Service Scheme (NSS) at JSS Academy of Technical Education-B, has successfully concluded, marking a significant step towards addressing energy consumption issues in rural areas, under the guidance of Dr. Girish N, NSS Programme Officer, JSSATEB.

The key achievements of this activity are:

Increased Awareness: A significant increase in awareness levels regarding energy conservation and renewable energy sources within the targeted rural communities.

Skill Enhancement: Empowered individuals with practical skills to harness and utilize renewable energy sources, fostering self-sufficiency.

Energy Efficiency: Implemented energy-efficient practices in audited households, resulting in reduced energy consumption and lower bills.

Community Engagement: Fostered community engagement creating a sense of ownership and responsibility towards sustainable energy practices.

On the occasion of Communal Harmony Campaign Week (19th to 25th November 2023), the NSS Unit of JSSATE, Bengaluru organized essay writing and drawing competitions on the theme “Communal Harmony and National Integration” on 22nd November 2023. The competition attracted a total of 18 students.

The event started at 2.00 pm on 22nd November 2023. The NSS Programme Officer Dr. Girish N greeted all and gave instructions to be followed. Students are asked to write their name, USN, name of the competition, name of the institution, and signature of the participant.

Students got 90 minutes to complete their essays and 120 minutes to complete their drawings. Drawings and essays are scrutinized for their relevance to the theme and three winners are selected from each category. The first, second and third prize winners are given prize money of Rs. 1000/-, Rs. 750/- and Rs. 500/- respectively. The students and staff are educated to donate money to the National Foundation for Communal Harmony to help children suffering from communal violence. Also, the Flag Stickers are distributed to the students.

Title: Awareness of Waste Management

Category: AICTE Activity Points.

Date: 29th January 2024.

No of Participants: 13 students.

Place: Ramanagara, Karnataka 562159.

This report outlines the waste management initiative conducted by 13 National Service Scheme (NSS) volunteers in a government school in Ramnagara. The project aimed to instill a sense of environmental responsibility among students, while implementing sustainable waste management practices within the school premises.

Waste management is a critical aspect of maintaining a clean and healthy environment. Activities Undertaken:

- **Waste Segregation Drives:** Organized campaigns and hands-on activities to teach students how to segregate waste at source. Color-coded bins were introduced for easy identification of different types of waste.
- **Installation of Recycling Bins:** Placed recycling bins in strategic locations within the school to encourage the collection of recyclable materials separately.
- **Interesting games:** Two games were organized for the kids to show them and make sure they understand the difference between dry waste and wet waste which made the kids get involved in the topic and session keenly.
- **Composting Initiatives:** Set up composting units within the school premises to manage biodegradable waste and create nutrient-rich compost for the school garden.
- **Awareness Programs:** NSS volunteers organized regular awareness programs, including presentations, skits, and posters, to reinforce the importance of responsible waste disposal and environmental conservation.

Title: Give a Book a Second Chance
Category: Waste Management Drive
Date: 19th January to 7th February 2024
No of Participants: About 300 students
Place: JSSATE Bengaluru.

**Sustainable
Development
Goals**

The NSS Unit of JSSATEB organized the repurposing of old blue books under the waste management drive from the 19th of January to the 7th of February 2024. About 300 NSS volunteers enthusiastically participated in an environmental concern. Students first tear off the unused sheets, then it's made a bundle of 120 to 150 pages. Next, the bundle of pages was stapled, and then a brown tape was pasted. Again, a bundle of 20 books was made and piled up in the NSS Office. Students felt a sense of satisfaction in saving unused sheets. These books will be donated to the government schools and colleges.

Outcomes:

- About 5 lakh unused pages were rescued by the NSS Unit
- We have made about 4000 books out of saved pages
- We have probably saved 40 trees

The NSS volunteers are doing the repurposing of blue books as part of the Waste Management Drive at JSSATE, Bengaluru from 19-01-24 to 07-02-24

Title: Yuva Samvad – India @ 2047

Date: 26th February 2024

No of Participants: 150 students

Place: JSSATE, Bengaluru

**Sustainable
Development
Goals**

The NSS Unit of JSS Academy of Technical Education, Bengaluru organized the "Yuva Samvad India@2047" program on the 26th of February 2024 at Seminar Hall - 1 of Academic Block A of JSSATEB from 10.00 am to 4.30 pm. It was a momentous occasion that brought together youth, esteemed guests, and thought leaders to deliberate on the future of our nation. Spanning across various segments, the event was characterized by insightful discussions, spirited competitions, cultural showcases, and thoughtful reflections.

The event commenced with an inaugural function marked by warmth and enthusiasm. Anchored by Medha Arya J and Ashwini K Rao, the ceremony began with a soulful invocation song by Samarth Shetty, setting a serene ambiance. Dr. Girish N, the NSS Program Officer, extended a heartfelt welcome to the esteemed guests, including Mr. Kiran Kumar L, Mr. Rajesh K, Mrs. Nirupama, Mrs. Netravathi, and Mr. Manav K, who were greeted with plant saplings as a symbol of hospitality. The inauguration culminated with a symbolic lamp-lighting ceremony, signifying the enlightenment of knowledge and wisdom.

Honoring Mr. Rajesh K, Executive Director of Sammathi Foundation, by Dr. C V Vinay, Professor, Department of Mathematics, Dr. Girish N, NSS Program Officer, Dr. D. Mahesh Kumar, Dean of Student Welfare, JSSATEB

Title: World Water Day
Category: Environmental Program
Date: 22nd March 2024
No of Participants: 50 volunteers
Place: JSSATEB Campus

**Sustainable
Development
Goals**

On March 22, 2024, the NSS Unit of JSS Academy of Technical Education, Bengaluru, organized a special event to commemorate "World Water Day" on the campus. The event aimed to raise awareness about the importance of water conservation and to highlight the need for sustainable water management practices. As part of the celebration, water tubs were installed across the campus to provide birds with a source of water during the upcoming summer months.

The World Water Day celebration commenced at 3.00 pm on the campus, with a gathering of NSS volunteers, the Dean of Student Welfare, and the NSS Programme Officer. The event began with a brief introduction to World Water Day and its significance in promoting global awareness about water-related issues.

As a practical demonstration of the importance of water conservation, the NSS Unit organized the installation of water tubs at various locations across the campus. These water tubs were strategically placed to provide birds with access to clean water for drinking and bathing, especially during the hot summer months when water sources become scarce.

The installation process was carried out by NSS volunteers under the guidance of Dr. Girish N, NSS Programme Officer. Each water tub was filled with fresh water.

Title: Bengaluru Eco Summit 2024

Category: Environmental Activity: Advancing Sustainable Solutions

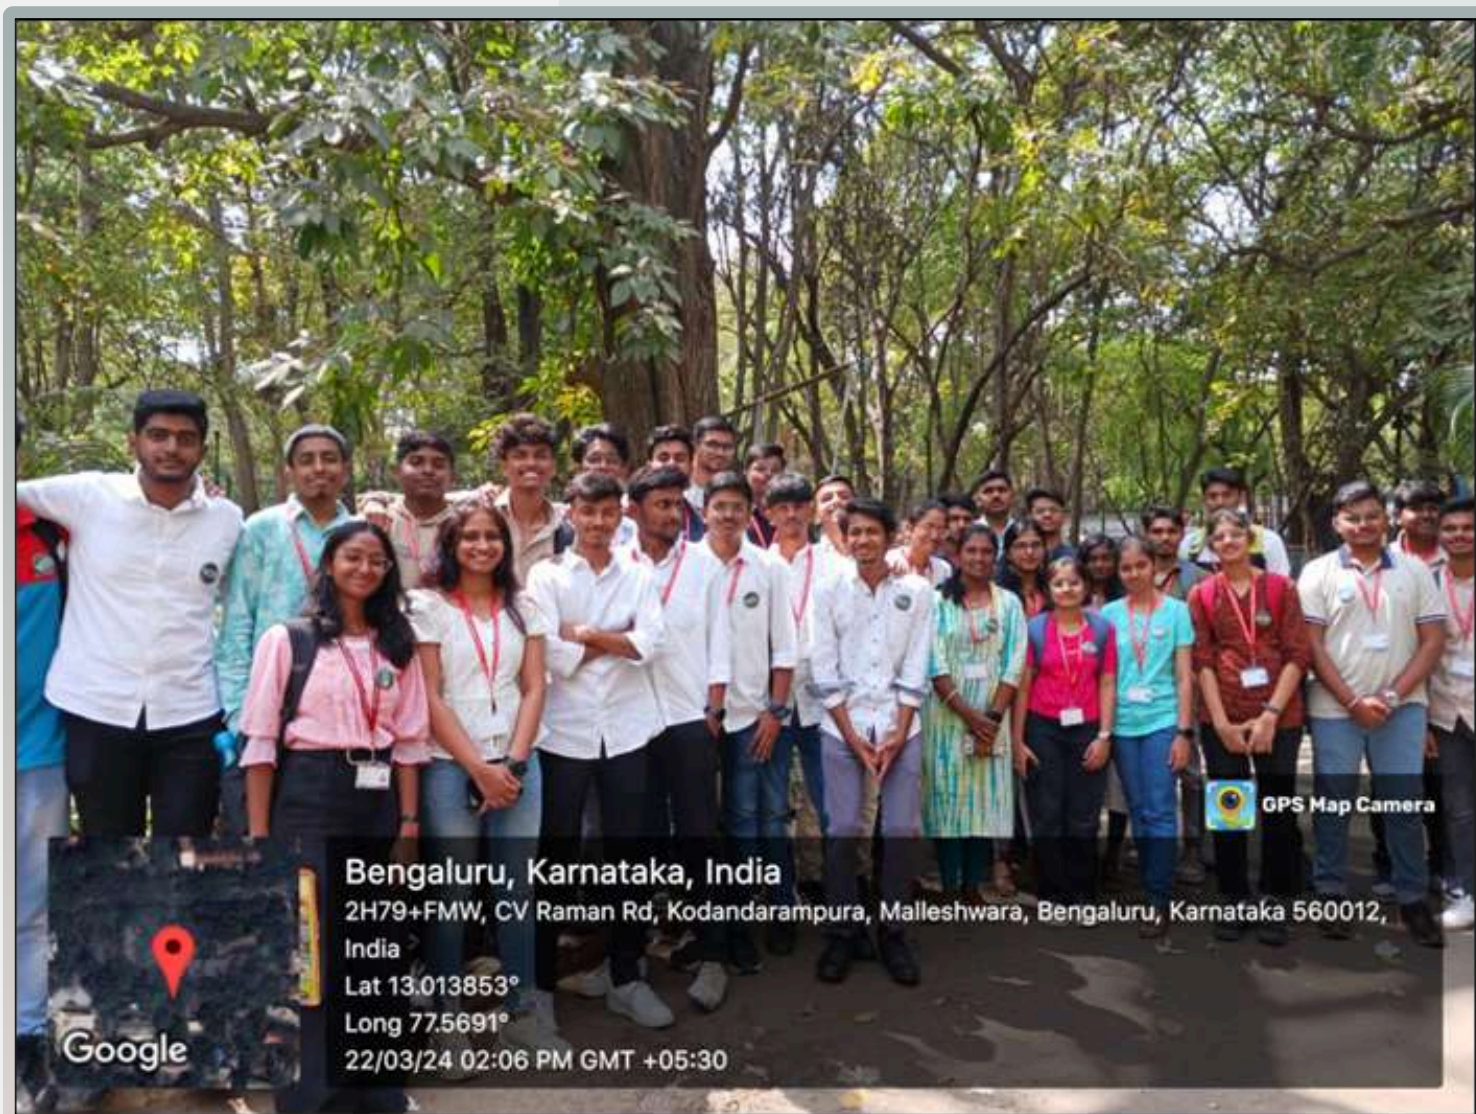

Date: March 22nd - March 23rd, 2024

Venue: IISc, Bengaluru

No of participants: 36 students

The Yuvaka Sangha organized the Bengaluru Eco Summit successfully on March 22nd and 23rd, 2024. This summit aimed to bring together around 300 participants to discuss and address environmental challenges, promote sustainability initiatives, and foster a dialogue on eco-friendly practices and innovations. The event likely focused on educating and inspiring youth to engage in environmental conservation efforts, empowering them to be catalysts for positive change in building a more sustainable society.
